ECRIDOR

The name and design of the Ecridor collection have always symbolized the expertise of Caran d'Ache. Each line of this original collection features a different guilloché pattern, inspired by a particular theme. For example, the Ecridor Cubrik line features geometric and artistic motifs, while the pattern on the Urbaine line is derived from architecture. Sports are the inspiration for the elegant dynamism of the Ecridor Golf and Yacht Club models. And of course, we cannot overlook the classical patterns of the Ecridor Grain d'Orge, Chevron and Retro lines.

The new line Ecridor Mademoiselle is a welcome addition to the collection, with the elegant hexagonal silhouette of the pen embellished with a lucky charm. Whichever model you prefer, each line of the collection retains the elements that made it successful: a classical hexagonal shape coated in silver, rhodium, palladium or gold; also available in an XS-sized model.

Four writing instruments: Fountain pen, Roller pen, Ballpoint pen, and Mechanical pencil.
