

LÉMAN

Ever since its creation in 1998, the Léman collection has paid tribute to the finest hues that nature can offer. In a wonderland of shades inspired by the pigments used in the Fine Arts products of Caran d'Ache, this collection captures the richness of the chromatic variations that enliven the shores of Lake Léman. Blue night, turquoise, cash-mere, saffron... the colours of these writing instruments harmonize perfectly with the shiny precious metal trims. Recently, the Léman collection was enriched with an innovative creation, Léman Caviar, a product of the expertise of all the master craftsmen at Caran d'Ache, making the name of this collection a byword for incomparable quality and unparalleled writing comfort.
