

RNX.316

PVD Black Version, Fiber Version & Multifunction

When Fine Writing instruments adopt high technology the result is the birth of a unique collection: RNX.316. In its name, RNX indicates its combination of two body shapes: Round and hexagonal. These are emblematic of the Caran d'Ache collections, easy to hold in the fingers for precise control of handwriting, in a new design that is immediately appealing. 316 refers to its stainless steel, a strong corrosion-resistant material that is enhanced by a pure, polished finish to give the Fine Writing instrument an elegance that will last a lifetime.

The RNX.316 incorporates the latest technical developments in Caran d'Ache expertise, making it one of the most distinctly modern of all writing instruments.

Six writing instruments: Fountain pen, Roller pen, Ballpoint pen, Mechanical pencil, artist mechanical pencil & multifunction

- ◆ Body and cap made of steel 316L, polished or black PVD finish
- ◆ Flexible clip
- ◆ Innovative system for changing the link cartridge
- ◆ Ingenious "click-in" system for closing the pen
- ◆ Steel nib coated in black PVD (sizes F,M,B)
- ◆ Strong material/contemporary design
- ◆ International lifetime guarantee
- ◆ Made in Switzerland

316L STAINLESS STEEL

The high-strength, stainless steel of the RNX. 316 collection guarantees that the writing instrument can withstand the stresses of repeated use. Its mechanical properties are complemented by its purity, created by precision polishing that immediately catches the eye. Its hardness produces incomparable writing comfort thanks to a fountain pen nib that is also composed of stainless steel.

BLACK PVD COATING

In the PVD technique, the ceramic is applied by a physical vapor deposition process which gives it optimal adherence; a cutting-edge technique for these pens that, with their laser engraving, demonstrate innovation across the whole line. The stainless steel nib of the fountain pen is also treated by the PVD process which results in remarkable fluidity and writing comfort.

RNX.316 PVD BLACK VERSION BLACK PVD FINISH

Fountain pen / M - 4590.080

Nib sizes : B - .090 / F - .070

Nib: Steel, Black PVD-coated

Innovative system for changing the ink cartridge

Cap: Ingenious "click-in" system for closing the pen
