CHINA IVORY & CHINA BLACK

CHINESE LACQUER

Caran d'Ache is proud to be one of the very few Western manufacturers of writing instruments to use this wonderful material. Black or ivory Chinese lacquer gives a magnificent finish to lighters and writing instruments in the Varius collection as well as some limited editions. Chinese lacquer is a natural product derived from the sap of the "Rhus Verniciflua" tree. The highly complex art of preparing and applying it in the manner of the great Eastern masters has inspired the craftsmen of Caran d'Ache.
