The **30 Limited Edition** colors for **Supracolor Soft** have been re-created and are now available in a beautifully finished wood pencil box.

SRP \$115.00

This **Limited Edition** set is a new opportunity to discover and collect these special colors. Thanks to its broad diameter, the soft lead of Supracolor Soft is ideal for large-scale works. Faded out, blended with fingertips, textured by rubbing the lead on a piece of sandpaper or used as watercolors, these shades are suitable for a multitude of techniques.

These qualities have made the Supracolor Soft pencils popular with amateur artists, graphic designers, illustrators and fine art students since 1988.
