

BELTS

In matters of elegance, the little details can make all the difference. Caran d'Ache appeals to seriously elegant men with this new collection of reversible saffiano belts in black leather, camel, or black and brown bicolour. Their design matches the motives of certain collections of writing instruments. From the unmistakable retro style of the Type 55 belt, to the contemporary spirit of the Cubes or Carbon belts, Caran d'Ache has used all its expertise to develop these top-of-the-range accessories that are made from the finest leathers and fitted with metal buckles coated in palladium.

- ◆ Reversible colour belts
