- ◇ Ideal for paper hobbies, scrapbooks, designs or illustrations
- ◇ Perfect at school or office
- ◇ 3 Metallic colors: Bronze, Silver & Gold
- ◇ Available in a Caran d'Ache counter cup of 30 pens, 10 pens of each metallic color
- ◇ Individual metallic colors are packaged 10 per box.
- ◇ Large diameter hexagonal barrels are easy to hold
- ◇ Excellent for adding flash to architectural drawings and fashion designs
- ◇ Color can be applied to a glossy surface such as glass or plastic, like a painter's palette and then transferred to artwork with a wet brush
- ◇ Marker pens can be used on a wide range of supports like paper, faxes, photocopies and cardboard

Bundle technique – hold several Fibralo marker pens together and draw lines or dots and then mist with water or manipulate colors with a wet brush – this will dissolve the colors and make them more intense, once dry you can highlight your artwork with standard colors or the new ***Fibralo Metallic colors***.
