## BLACK WOOD - The Maxi Size Graphite Writing or Drawing Pencil with a 4.5 mm Diameter Lead

Everyone can enjoy expressing themselves on a large scale or in fine detail with this Maxi size graphite pencil with artistic properties. Just like the **GRAFWOOD** and **GRAFUCUBE**, the **BLACK WOOD** is firmly part of the trend in meeting the needs of today's artists. It offers the quality of an HB lead that is both extra-fine and extra-large, together with the elegance of a hexagonal pencil finished in a matte black. It is an artistic tool that is ideal for drawing, sketching and writing with a soft but intense regular line. The **BLACK WOOD** completes the range of graphite pencils with a sense of design, practicality and technical excellence.

### Technical Description

- Swiss Made hexagonal maxi graphite pencil
- Large diameter (6-ply) makes it easy to hold
- Superior quality HB lead is 4.5 mm diameter with a strong point
- Matte black protective finish
- Wood is impregnated with black ink
- Available in display cup of 28 pencils or in a box of 12 pencils

## SWISS WOOD - A Graphite Pencil made with Beech Wood from the Swiss Jura Forrest

The famous Swiss label introduces the **SWISS WOOD** pencil. Recognized for their Swiss Made quality, Caran d'Ache continues to surprise by evoking subtle, craft and authentic luxury in this new creation. From the Caran d'Ache expertise in graphite leads fabrication, this new pencil has its roots in Gloveriel, a small village tucked away in the **Swiss Jura** mountain forest of beech trees. It is there, in the heart of the forest, that Caran d'Ache has selected the **FSC** (Forest Stewardship Council) wood certified for the production of their new graphite pencil.

With a natural design and a Swiss identity, the pencil's body is protected with a matte multi-layer water-based varnish. The Swiss cross placed on the red cap contrast and sublimate the authenticity of these unique graphite pencils. It carries the essence of Swiss Made, both literally and metaphorically.

### Technical product description:

- Hexagonal graphite pencil with EAN bar code
- Matte water-based varnish, red cap decorated with a Swiss Cross
- Beech wood from the Swiss Jura forest
- Guaranteed **FSC** (Forest Stewardship Council), label guaranteeing that the wood used for the production of pencils complies with 10 principles upholding respect for forestry development, the rights of local populations and long-term socio-economic well-being of forestry workers.
- High quality HB graphite lead
- Sold individually or in a wood cup with 30 pencils

## FLUO LINE - HIGHLIGHTERS

The **FLUO LINE HIGHLIGHTER** is a working tool. Designed for the office, but also ideal for leisure activities. This **FLUO** range offers four brilliant colors: Yellow, Green, Rose and Orange.

Each detail has been developed to make it easy to use every day. The long white hexagonal body is comfortable to hold and won't easily roll off the desk.

Each pen has a strong tip for drawing lines in intense, pigment-rich ink. The removable cap and barrel end both match the ink color.

**FLUO LINE** felt tip marker pens are very practical for office use. When used on documents to be photocopied or faxed the **FLUO** highlighted area does not become dark, but merely grey and the highlighted words remain legible. The **FLUO LINE** marker pens are an essential office tool for every desk.
