### Chromatics Inks...

Within each new Caran d'Ache ink lies the expertise of a unique savoir-faire: the science of colours. Vibrant. Deep. Powerful. Sustained. From a bursting red to a radiant purple, from an empyreal turquoise to a fiery orange, Chromatics INKredible Colors impose their noble marks across the entire spectrum of light. Every inkwell is a prism, playing with the reflections of the light and intensifying the colour that it holds inside. Each personality submits to the caprices of evocative names that entice one inescapably away to voyage and discovery. Beyond their colours, the characters assert themselves through to the tip of the pen, and breathe life into the very page. The Art of Fine Penmanship is adorned in a colourful finery that vivifies the most beautiful pieces of written work.

12 colours / 50 ml ink bottle, with a hexagonal cap and inkwell / Ink bottle also available in sets of 6 or 12 colours / International ink cartridges (6 pieces per pack)
