OFFICE Writing Instruments

The 849 is genuinely a cult object, both smart and informal, with its aluminium body distinguished by its hexagonal shape: six facets of a unique temperament that make it an iconic writing instrument suited to all occasions.

This iconic ballpoint pen has inspired an entire collection of essential writing instruments and accessories: the 849 Collection. The 849 fountain pen boasts contemporary colours and graphic lines offering unparalleled handling. It is rechargeable with Chromatics cartridges, which offer a wide range of bright colours for precise, effortless writing. Light and practical with its rubber and lead cartridge, the 844 mechanical pencil skilfully echoes the codes of the 849. Boasting strong lines and a Swiss design, the 849 notebook allows you to carry your thoughts wherever you go. With its ingenious fastening system, it is absolutely inseparable from the 849.

The 849 Collection promises a host of exciting creative adventures!
