

849 Genius & Pencils

CARAN D'ACHE

Genève

OFFICE Writing Instruments

As touch screens are part of our daily lives, the Maison Caran d'Ache presents an ingenious variation of the emblematic 849 and of the graphite pencil. The Genius Collection offers writing instruments allowing to draw, sketch or take notes on paper and digital material.

Characteristics:

- Hexagonal body in aluminum
- Colors are applied by electrostatic power spraying
- Flexible clip
- Refillable ballpoint pens with touch screen tip
- Goliath giant cartridge writes over 600 A5 pages
- Push button mechanism

Graphite Pencils:

- Graphite pencils with touch screen tip and HB hardness leads
- Water-based finish
- Made in Switzerland
