Caran D'Ache: PABLO®

- Created for art students, professional artists, designers and illustrators
- Conforms to ASTM D-4236
- **120 colors** in highly concentrated pigments, available in sets and separate colors
- Lead: soft, water-resistant leads, Ø 3.8 mm, very economical thanks to their exceptional covering power, excellent lightfastness.
- Pencil: hexagonal, body in the same color as the lead, marked with color name and bar code.
- Best cedar wood.
- Certified FSC Forest Stewardship Council.
- Techniques: shading, graded applications, mixed media, can be combined with Supracolor Soft Aquarelle, Neocolor I & II pastels and Graphite RGB. Drawing on wood, photographs. Smooth lead requires the use of a sharp, quality pencil sharpener.
