

New Caran D'Ache Products

Caran D'Ache Red Sharpening Machine

Caran d'Ache now includes the emblematic sharpening machine in its signature red colour in its standard collection.

Created in 1933, the celebrated accessory has transcended the years and reinvented itself. Its precision, robustness and cult design continue to delight generations of pencil-lovers looking for the ideal sharpening tool.

Dressed in red, this edition offers a colourful alternative to the standard collection. This vibrant yet elegant colour transforms the desks of anyone who loves attractive objects.

Ecridor Lights

Caran D'Ache Ecridor Lights Gift Set

A true Caran d'Ache classic, the Ecridor Collection is characterised by the elegance, timelessness and reliability of its writing instruments. First mechanical pencils, followed by ballpoint pens from 1953, with the instantly recognisable hexagonal architectural shape. A line boasting an authentic style and unrivalled efficiency, the result of Caran d'Ache's unflinching desire to combine the art of guillochage with Swiss precision.

Ecridor Lights is a sparkling immersion into the heart of jeweller's case, Magnified by the baguette-cut diamond guillochage and hand polishing. A genuine source of light, its captivating 18-carat gold coat is a genuine eye-catcher with the infinitely reflecting prisms.

Léman Bleu Marin

Caran d'Ache has paid vibrant tribute to the most attractive colours of Lake Geneva. From the mildness of its pastel dawns to the intensity of its magical nights, the Léman Collection offers a stunning reflection of the lake's unique aura. Writing instruments transformed by the art of lacquering and the art of guillochage.

With Lemman Bleu Marin, Caran d'Ache invites writing fans on a journey as the lake waters ripple in the wake of sailing boats. Adorned in sparkling navy blue lacquer, its body displays a deeply textured guillochage for the very first time, subtly calling to mind the sailing boats scattered over the water.

Les Crayons Scented Pencils No. 10

- Limited Edition

The craftsmen at Caran d'Ache have come up with brand new and limited edition collections of graphite pencils every year. In association with the Geneva-based company Mizensir, Caran d'Ache presents the new exclusive edition of scented pencils. Made from a species of poplar, these colourful creations are guaranteed to stimulate your senses. The "patchouli" fragrance calls to mind memories of travels to more exotic climes. The patchouli is combined with cedar wood and guaiacum wood

to create a fragrance of sweet burnt wood. Finished in bolder colours than in previous editions, assortment No.10 is intended for collectors and aficionados of rare pencils.
