## 849 Nespresso - Edition 3 Limited Time Offer

SRP \$50.00

849.104

Following the success of the first and second limited editions, Caran d'Ache and Nespresso have renewed their partnership focusing on the iconic 849 ballpoint pen to unveil a new original creation made using the aluminum from recycled coffee capsules.

This year, the deep purple and satin smooth 'Arpeggio' capsule, a best-seller for Nespresso, has been chosen to envelop the body of the pen.

This third generation illustrates the technical flair in creating an exclusive alloy from the aluminum of recycled coffee capsules, without compromising the intrinsic quality of the iconic Caran d'Ache ballpoint.

This Caran d'Ache ballpoint pen, is both elegant and sustainable and will be irresistible to the environmentally conscience among us and to those searching for a truly unique gift.
